

Northern Tablelands Wildlife Carers

PO Box 550 Armidale 2350

Sponsorship Donation

Many people and organisations have asked us how they can be a part of what The Northern Tablelands Wildlife Carers is doing. So we've introduced an animal sponsorship programme.

When you become a sponsor, you'll contribute towards the feeding costs, enclosure maintenance, animal rehabilitation, veterinary expenses and breeding programmes.

The gift that gives twice

Maybe you'd like to give the sponsorship of an animal to a friend or member of your family. That way you won't just be giving a different and exciting gift, you'll also be providing for the support and care of an animal at the same time.

How to become a sponsor: Email president@ntwc.org.au giving your name address phone number to obtain your own ID Number and our bank details. Then through your internet banking or personally over the counter organise either a regular amount or a one off donation. All donations over \$2 are tax deductible.

Level of Sponsorship can be varied according to your wants.

We will email regular information including photos of our animals in care.

A regular report on animals progress will also be regularly posted on our website at www.ntwc.org.au/sponsorship
